- Made in the USA

Features

Features

- Leather reinforced thumb crotch for maximum durability
- Forward pre-curved pattern for reduced bulk under wrist and natural ergonomic hand position
- Main touch areas and weapon manipulation surfaces have leather reinforcements
- Exclusive combat glove cut length in a flight glove
- Main and overlay seams are flat
- Pen slot in thumb crotch for hands-free retention of writing instruments
- “Flat Out” integral cuff pull is wide and lays flat for less snag and usability
- Tactile, fitted with movement mirroring stretch and recovery
- Moisture management through DRIFIRE® FORTREX® performance fabric
- Touchscreen capable for today's networked warfighter
- Capillary action, and multi-directional wicking for quick dry rates
- Available in Coyote Brown and Sage Green
- Berry compliant and made in the USA
- Leather touch screen capability will not wear off
- Touch screen FR leathers meet FQ/PD4672-16-01A that enables operation of capacitive touchscreen devices.
- Leather touchscreen resistivity is fully throughout the leather and tested AATCC 76 on both inside (flesh) and out (grain)
- Made in the USA

Product Care

Product Care

- READ THE GARMENT LABEL AND LAUNDRY PER INSTRUCTIONS ON GARMENT LABEL.
- Care Instructions: Wipe clean with soft cloth and mild soap. Line dry.
- Clean according to the instructions above to remove any contaminants in order to maintain fabric performance when garment becomes soiled with dirt, greases, oils, etc.
- If contaminants cannot be removed after laundering, it is best to discontinue use of garment.
